

Kamikochi Norikura Matsumoto

上高地 乗鞍 松本

A mountain resort that represents Japan. From an altitude of 1,500 m, the views of the Hotaka mountain range, including famous peaks such as Mt. Yakedake, with the clear waters of the Azusa River are not to be missed.

Enjoy nature through the four seasons! After a fun day of trekking or other outdoor activities, you can relax and refresh your body at a nearby hot spring.

Abundant hot springs and delicious foods. You can enjoy a traditional Japanese atmosphere while walking the streets or visiting the castle. It is one of the gateways to the popular tourist destinations of Nagano Prefecture.

Information

This pass is valid on all bus and train lines shown on the route map. Some lines are closed from late November until mid-April. Some lines operate seasonally. Please check operation dates in advance. Not valid for JR train services. You cannot ride JR trains with this ticket. When boarding, please show your ticket with printed validity period to the driver or crew member. To reach Kamikochi from Matsumoto, take a Kamikochi Line train from platform 7 at JR Matsumoto Station to its terminus at Shin-Shimashima Station. From there, please transfer to a Kamikochi bound bus. There are also direct busses to Kamikochi from Matsumoto Bus

Terminal

Passengers transferring directly from JR lines to the Kamikochi Line at Matsumoto Station can do so without exiting the ticket gates. If you do not hold a ticket for Kamikochi, then the fare can be settled at the fare adjustment window at Shin-Shimashima Station. No refunds after first use. Prior to first use, refunds can be made after subtracting the handling fee. Tickets are non-transferable and lending tickets to a third party is prohibited.
